January 2023

Attention: Families of Gloucester Public School

Our school canteen provides healthy nutritious food to students and staff each Monday, Wednesday, and Friday. We are passionate about helping students set up healthy routines and habits for life, by preparing fresh snacks and meals each canteen day.

Our canteen is run by myself and with the support of a network of volunteers from our school community. Parents, Grandparents and Carers are more than welcome to give their time to volunteer on any day that suits. If you can spare some time to join our network and help prepare and serve food at our canteen, we would very much appreciate your support. It is easy and fun work with on-the-job training, and you can dedicate as much or little time, as you like. We have short and long shifts to suit any time limit that you may have.

We launched our online order system in Term 4 last year – My School Connect Tuck-shop. The tile/platform is available on our SkoolBag App. This has streamlined our orders and provided more access to our families at GPS.

Please fill in the volunteers slip below and send it back to the school canteen. If you have any queries, please feel free to contact me on 0411 593 899.

Many thanks,
Suzie Dark
Canteen Manager
